

Vehicle Registry

From the new **Vehicle Registry** screen just click the + button to complete a new Loan Vehicle Form for Service, Employee or Sponsorship use.

Select A Vehicle or Free Type

The Loan Vehicle Form enables users to select a vehicle from any yard or free type a registration, VIN or other details about vehicles not in stock.

Enter A Start and End Time

Enter a Start and End Time for when the vehicle will be in use. This will apply banner detailing whether the vehicle is used for Sponsorship, Employees or Service

No Lead Required

The Vehicle Loan Form **does not require a lead** to be loaded – this means that they can be loaded without skewing reporting on leads.

Capture Customer Details

The details of the person who borrows the vehicle can be recorded – incl. Drivers Licence details and the customers' acceptance of T&C's.

Keep Track with Vehicle Registry

All Loan Vehicles will be added to the Vehicle Registry along with Test Drives. Search by User, Customer, Vehicle, Completion, Date and Type of Vehicle Usage
